“ *His smile contained a thousand smiles,
Starlit eyes reflecting Light from within.
He knew life was to be laughed---and laughed out loud!
Unfettered, daring to push boundaries that bind;
All the while, holding firm a foundation of light and love.
Boundless now,
with no limitations of time or space;
Joined as One in the mysterious and inexpressible flow of Love that
sustains us all.
The melody of the universe rings ever more beautifully with his life
song.
We're thankful for having experienced even a small glimpse of his
soulful essence, and the memories we'll all cherish with him.
And we give thanks for knowing we will continue to experience it
for eternity.*

*The eternal imprint of
Erin Mathew LaPoint.
Absent, but never forgotten.*

*We love you forever and until we meet again,
Aunt Paula and Uncle Scott*
