“ Liz, Shawn, Austin, and Reagan, My prayers have been with y'all and will continue to be there. Today as I sat through the beautiful services for your angel I thought of the few memories I have shared with you and your beautiful kids. The day at the park stuck out the most watching the girls run around with the Crochet bunch and us adults standing there laughing and enjoying them all. God blessed all of us especially you and your family, I loved what Ms. Kay said today when she said God chose us to send that baby too, she was so right Erynn was sent here with a purpose and you and Shawn had a hand in God's miracle, a miracle named Erynn. We love you all and thank you for letting me mine have some memories with your angel.

*If you all need anything do not hesitate,

“ Dear Hebert Family -

The story of your sweet lil Erryn has touched the lives of so many. Our hearts sincerely ache for your loss. I hope that your family has been comforted in some way from the tremendous outpour of prayer from our community. I know in my heart that your sweet lil angel was called to duty by God and I would love to think that she is now watching over my preemie twins at this time. I could never imagine the heartache that you have experienced, but please be comforted by knowing that God only takes the best. We have and will continue to pray for your family. May God bless you all. - - The Lashers

“ *All though I have never met you, I feel as if I have come to know your family over the last days. Please know that you are not alone, an entire community is right beside you, supporting you through prayer, and will continue to do so in the days and weeks to come. I cannot begin to know your pain, but I have seen your strength and know you will get through the coming days. Cherish your memories and continue to share them with the people who love both Erynn and you.*

“ Hey Liz, Shawn, Austin, and Reagan,
I see The Lord's amazing strength in you all. It's truly amazing. I feel like the most blessed person in the world to have gotten the wonderful chance to work with Erynn and be in the lives of your family. God is so awesome to give me such an amazing opportunity. I pray God's strength remains in you...rely on His strength, not your own. Our prayers are with you all.
