“ *When I was in the home, i was on 500 hall, in the back next to her. She would stand at the doors and try to open them. So we would get her and let her sit with us for a minute. That was about all too. LOL You could not keep here still for long, she was wanting to sweep, or clear off a table. Bless her heart, she will be missed by all. RIP*

“ maw-maw Roberie wasn't my grandmother. However I loved her like one. I will always remember all the delicious food she used to cook and invite me to eat. And she was an awesome babysitter for my youngest daughter conner when she was a baby. Singing bayoo bayoo baebae as she rocked the heck out of her in that chair. I know she is in heaven probably sweeping Gods floor as we speak. As we all know she loved that doggone broom to be in motion! I pray for each as they grief her passing
All my love

Fly high Aunt Eudna with a clear mind. And go in the arms of your loved ones. Sing with the angels praising God and remember to pray for us who are left. Till we meet again. You did it the last of the Fontenot of the clan. Love you.

Ray and Leo, our thoughts and prayers are with you at this difficult time. She is now with Uncle Leo again. We will always remember how she organized the "Gumbo" for everyone at Dad's house following Mom's service.
