“ Brenda i want to thank you from the bottem of my heart for allowing me to take care of Gene that was the last thing i could do for him. He will live in my heart forever as i love him so he was my best friend as my brother. He will be missed by my kids so much he took there fathers place after Chuck died. I sit here remembering all the things he use to do an i laugh an cry at the same time. I have many good things to remember like he was there anytime i needed him. He was there to hold me after Chuck died an i needed that so much like i said he was always there. Sister it will be hard on you but i know you , you are a strong woman an we will go though this togeter. Sis i love you an them kids like there are mine. Jason you have a place in my heart honey . Love You Gene always

“ To my family,

I know this has been tough, but we all need to stick together and help each other through this. We all will miss him very much and his memory is going to stay alive forgive in the stories we have of him. I know he will always be looking down on us and take care of us. He will especially be looking over all of his grandbabies. We will always be there for you all whenever you need to talk.

*Love Always,
Falisha, Jason & Cooper*
