“ *My condolences go out to the family during this difficult time. I did not know Mrs. Pousson personally but I knew her in spirit from one of her sons; my good friend, Willie. May she rest in peace.*

“ I love you mom

Your Mother is always with you...:

Your mother is always with you... She's the whisper of the leaves as you walk down the street. She's the smell of bleach in your freshly laundered socks. She's the cool hand on your brow when you're not well. Your mother lives inside your laughter. She's crystallized in every tear drop... She's the place you came from, your first home.. She's the map you follow with every step that you take. She's your first love and your first heart break....and nothing on earth can separate you. Not time, Not space... Not even death.... will ever separate you from your mother.... You carry her inside of you....
