“ *I am so sorry to learn of Mr. Ordineaux's passing. I got to know him and Dot very well about 20 years ago when I visited their home nearly every week. I always enjoyed my visits with both of them and missed them a great deal when I left Jennings. I will always remember him as a powerful communicator, even after the stroke, and a warm and dynamic man. He drew people to him with his personality and wit. My life was enriched by knowing him.*
