“ Carl Wayne and I have known Ms. Francis for many years. I first met her when Carl and I lived in LA. all those years ago. Little did I know that we would not only become "Fisher Ladies" together, but also good friends! She always treated me with such kindness!!! I/we loved her dearly! She knew how to do sooo many things...like how to fish, how to clean fish, how to drive a boat, backup a boat trailer (which I still cannot do)! :-(So I understand, she was a First Class Welder in her younger days! She also knew how to can/preserve vegetables/fruit, and...last (but certainly NOT least) she was an amazing cook!!! Yes...Ms. Francis, YOU will be missed by ALL of us whose lives you touched! "Go Rest High On That Mountain"...as you so richly deserve! Love and Prayers to your whole family. - Cheryl and Carl Borel
