Why would you talk trash here of all places? He's gone, and if he was responsible he is meeting his due. But why talk trash to his family? They're not responsible. Be better

I think he knew who did it bc even when he was being interviewed his own mother said to not tell them everything he said I'm not telling them everything. So that makes u feel he knows something

I was just thinking why doesn't someone put a bullet in his head....then looked it up and see he's dead. I hope it was excruciating - glad he's rotting in the ground where he should be.

As was stated, God doesn't sleep. Maybe, this is why St. Peter, did not open the Pearly Gates. His name wasn't written in the Big Book.
