

Gary Dean Duhon

January 1, 1953 - November 17, 2010

Gary Dean Duhon Jennings: It is with great sadness that the family of Gary Dean Duhon, 64, announces his passing on November 14th at his home in Jennings surrounded by the family to whom he devoted his life. A memorial mass will be held for Mr. Duhon at Our Lady Help of Christians Catholic Church in Jennings on Wednesday, November 17, 2010 @ 2:00 PM with Father Whitney Miller officiating. Known by some as "Mr. G", by others as "Doozie", and by his grandkids as "Old Pop", Gary was born in Jennings to the late Hufurd and Marjorie Janise Duhon in September of 1946. His love of life flowed outward into all those around him. Be it with friends, old and new, or his grandkids who all loved to run and sit on his lap, Gary made the people in his life smile. This became evident in the more than 200 people who paid their respects while Gary still lived. He will be loved and remembered by all who knew him and held him dear. Leaving behind to cherish his memories are his beloved wife, Fayla Shultz Duhon of Jennings; 3 daughters, Cassandra Duhon of Sulphur, Nicole and her husband Rob Spikes of Lake Charles, and Tammy Young of Eunice; 3 sons, Bryan LeJeune and wife Lanette of Jennings, David LeJeune and wife Lanna of Lafayette, and Steven LeJeune and wife Josette of Abbeville; 1 sister, Debbie and her husband Kelton Casey of Houston, TX; 12 beautiful grandchildren; and numerous nieces and nephews including one special nephew, Evan Casey of Houston, TX. Now Gary rests in Heaven with his parents, Hufurd and Marjorie and his grandson, Hunter Ryan Romero. The Duhon family would like to extend their heartfelt

thanks to Heart of Hospice and all the many friends and family for their love and support during his illness. In lieu of flowers, the family requests donation be made to Heart of Hospice or any church of your choice.

“ My heart is heavy with the loss of my friend. He was my co-worker, my boss and most of all my friend. I enjoyed my visit with him as we talked about old times. What memories that visit brought back!! I know he is in a wonderful place and smiling down on all of us. I pray for peace for the family as they work through this difficult time. He will always be a part of us all. My love to you Fayla - I know that this is a hard time for you. Please contact me if you need anything. I will always be here for you.

“ Fayla,

I thank God that I could count Gary and you as one of my best friends. I know that words cannot heal the heartache that you are feeling, but rest assured that Gary is with you in your heart. If you need anything give me a call, because you and Gary were there for me when I went through losing Sharon.

God bless you and may the peace of the Lord heal your aching heart.

*Love,
Willard*

“ *Dear Fayla, I met Gary only once or twice. However, I loved the stories you would tell about him with his grandkids thinking he looked just like Santa Claus. Also, I enjoyed how casually you talked about Gary and all his friends getting together to play music on your backporch. Yet, every time you told any story about Gary you had this sweet sparkle in your eye that gave away the depth of how much you truly loved him. You are a precious woman and I will be praying for you. Love, Drue*

“ We have been saddened to know that you have lost a wonderful man as Gary. We have only been in Gary and Fayla's family for a short time since the marriage of Rob and Nikki. It was quite evident that there could have been no more pure love and unconditional respect given to Nikki, Rob and his grandchildren. We witnessed the true love and happiness that radiated from him when we were around him and the family. Nikki and Rob, we are surrounding you today and for days after with love and compassion for what you have lost. But remeber that we will always be here for you both. Our families have gone ahead of us only to be awaiting and welcoming us when we arrive. God has welcomed a very remarkable man in Heaven today and we were blessed to have known him. With love and compassion to all of the Duhon family, Robert and Barbara

“ Fayla,

I suppose we have reached an age that we hoped to fend off, or postpone, or ignore, but daily we are reminded that we can't. May you experience peace in knowing that Gary is free of pain and suffering. Many prayers and blessings and much love go with you and your family during this heartbreaking time.
