“ Mrs. Laura words can't express how I feel.. I'm so heart broken. Me and Gavin was buddies in school and out of school. When we was in houston in school I went visit him and we would call eachother for direction to food places. I would love reading his comics, they were very funny! We even had nicknames for eachother, I would call him Gavin Micheal and He would call me Paddio. I had just saw him in the mall with his girlfriend and we talked but little that i knew that would've been my last time. I will keep you and your family in my prayers. Love U all!

“ Dear Laura, Ricky & all family members: I am so sorry for your immense loss. Gavin was so incredibly good-natured, friendly and fun loving and I loved how happy-go-lucky he was, and yes, loved whenever he was goofy and silly. I thought him and Ashlyn were such an adorable, sweet couple. You were blessed to have had him and I hope you are greatly comforted by knowing what a positive impact he made on people and by knowing he spread such happiness.

“ I'm so sorry for your loss. My thoughts are with you and the rest of your family. I will never forgot Gavin. This is Brandon's sister. He was like a little brother to me. He was always so nice. When he worked at Piggly Wiggly and I would go in with Dee (Brandon and my nephew, Gavin would always take the time to visit with us and tickle Dee and push him around the store in the shopping cart.

“ My husband and I was coming home Sunday evening from Tx and saw a car crash on hwy when we stopped we tried to get the young man out the car with other at the time he was breathing but, he was so trapped we could not get him he then died. I was with Ashlyn trying to help her trying to keep her calm as she was crying and asking for prayer and I did indeed. I prayed for her and tried to keep her still she said I want to get up. My heart was so broken because she was not in good shape. I held her along with others who were so sad by this crash. I feel like I know her. She was really not feeling pain, she just kept saying please, please let mr get up. I said honey I am hear, she said ok and then silence. My husband and I love and prayers are with you and your family. I am a Minister. My husband and I live in Mandeville La. Our home town is Chalmette La. The storm of 2005 moved us.

*God bless you and your family dearly,
Cynthia,*

“ Laura,

I am so very sorry to hear of Gavin's passing. I was fortunate enough to see him fairly frequently at Piggly's when I was visiting in Jennings and I always enjoyed our brief visits. I remember him with fondness as a young boy coming to my house with you and Mia and he grew into a fine young man; I know you must be so proud of the young man he became. My thoughts and prayers are with you and your family at this time and I will continue to hold each of you in my prayers. I know God has welcomed Gavin into heaven with open and loving arms.
