“ *Jerry had the biggest heart of anyone I've ever known. Many great memories with her... on her back patio, listening to Kid Rock(her CD) on the way to the casino, and visiting with her after working in her yard to earn a little extra money with which she was always overly generous . She always asked about the whole family...and always he'd a loving comment about each one of them. Jerry always made me feel special and loved... she will be deeply missed*

“ Her passing away truly saddens me. We first met when she and Rodney were married by Judge Knight and I was privileged to be a witness. She was a lovely person.

“ As so many knew Jerry's wonderful personality and love for her family. I'll never forget her as my sister in law for many years. I will miss her and our conversation. I'll never forget our last conversation and laughs shared. Rest In Peace dear Jerry.

I loved her the first time I met her. She made us feel part of the family when our son married her granddaughter, Brittnee. I will miss rocking on the kids patio with her while watching the babies play. She was one in a million! Love you, sweet lady! Dena
