“ *I was so saddened to learn of Mrs. Geringer's passing. She was pleasure to show to, sweet, kind and instructive. I wrote her a note thanking her for taking time with a novice owner handler and rewarding us so lavishly, with a 5pt major and a group placement. She, in kind, wrote back to me. I credit her with my joy & addiction to dog showing. She will be missed by many.*

“ I first met Gloria in the 1990's in Houston when she was watching Chow Judging. It was a while after that we met again and became friends. She loved my pictures of Roses and told me about one Lucky had planted for her that refused to make it despite her work at trying to save it. The way she told me this story had me laughing listening to her dry sense of humor. OMG I will truly miss her. I had no idea she passed and I hate I found out on FB. Rest in Peace my friend, I will miss you always.

*I will never forget this wonderful win from someone I truly admired for so many reasons....Gloria was bold, true to herself and as loyal as they come to the people she loved. We shared those "cajun" roots. I never missed an opportunity to sit and watch her judge or just hang and talk about life.*

*"Not all that wander, are lost." That was her motto.*

*Love to you, Lucky...I know you will miss her terribly.*

*A Friend and mentor has passed.....one that gave so much to the dog world and the people in it. Hours spent on the phone ---at home, late at night, airports waiting for flights,, sometimes at dog shows when she was waiting to go into the ring ---talking dogs, judging, ring procedures, decorating, AKC, mentoring, recent news, health, commercials on TV, Doctors, people in the past, her old house that she lost in the Hurricane, the new house in Jennings and of course Lucky always there in her thoughts and words.....Remembering when she came to Nashville for the shows and then we made the trip to the Grand Ole Opry---she was like the energetic bunny going here and there--I could not keep up with her. She traveled in country and out. By herself or with her love, Lucky...I will really miss her ..a lot. She was one of a kind and will be forever remembered and love---Claudia*

“Gloria was a light that couldn't be shut down. She was such a strong woman with a wicked sense of humor. Glo was a straight shooter that would always build you up or kick you in the pants if needed. It's what I loved about her. Those quiet moments when she would give you that little bit of advice that you needed even without knowing it. It's a lot quieter now without your wicked laugh that you couldn't help join in with. We are all better off for knowing you and having you in our lives. I'm glad you are now free and probably up there judging with all the greats of the dog world. Because you definitely deserve to be. ❤️

Lucky I'm so sorry you have lost your partner but do know how much she loved you. She always spoke about you and that smile came on her face. She loved to travel to judge but she would always be excited to be coming home to you. You were her person and I'm sure she's still there watching over you. ❤️ Gentle hugs to you. Glo we love you and miss you. Mark & Tabatha Bettis
