“ *Dear Eric, I am so sorry for your loss. I only recently learned of your dad's passing while visiting my Aunt Mary Deshotel. Yes, I can certainly understand how you must be lost without him. Although I only met you and your dad once at my Aunt Mary's home, let me say that it was such a pleasure. Especially hearing your dad talk a little of "my/our" language, cajun french with my Aunt Mary. I had not heard the language in quite some time now, since my parents are no longer here. I also enjoyed hearing you talk about your medical background experiences, and the fact that you "up and moved" your entire life here, just to take care of your dad. My Aunt Mary spoke very highly of you for doing this and I know she Thanks You for driving your dad to visit her and drink coffee every week. She will truly miss this since he had been doing this routine with her for many many years. She is glad she got to know your mom and dad all these years since your dad worked with her deceased husband, John "Red" Deshotel at Gulf States. I just wanted you to know that I am Thinking of You with Sympathy in Your Loss, "MAY YOUR MEMORIES BRING YOU COMFORT". In Loving Memory of your father, your friend Diana B. West.*

“ Eric, praying for you. Mr. Harry was a sweet, friendly man. We enjoyed visiting with him. I have many fond memories growing up of our family visits with our Hanks family, the Faulks and the Jeanises. I am sorry that I am not able to make it to the funeral home but know that you are in my prayers.

He loved to tell stories and I loved hearing them. I wish I would have visited him more. I informed Uncle Luke's daughter Cheryl and Aunt Aline's children James and Dolores. I don't have Uncle Bee's children's phone numbers but I will try pass the arrangements to Gerald thru his wife's Facebook page.
