“ *I am so sorry for your loss. Ms. Helen was always so kind and friendly. I enjoyed our visits together. We had so much to talk about. She always loved talking about her great grandchildren, grandchildren and her family. I remember the last time I was able to visit with her, she was playing bingo. She asked me to join in and we had so much fun. She was like a grandmother to me. I will truly miss my dear friend, but I know that she is in such a beautiful place now and spending time rejoicing with her family. Ms. Helen, you will always have a special place in my heart!!! I will love you always and forever!!!*
