“ *Remember the time that our families vacationed together in Colorado. Drove up to Pikes Peak and at the bottom of the mountain, Uncle Herb realized he lost his glasses and thought he left them at the gift shop at the top of the mountain. We did not find Uncle Herb's glasses and started back down. About half-way down, Uncle Herb found his glasses in the van. With a chuckle, he thought it was funny and Aunt Hazel was not a happy camper.*
