“ Dear Watson Family,

*So sorry for your loss.*

*I can only imagine the welcome your Dad received when he walked into the gates. No harp playing but loud duck calling, back-slapping-welcomes and chair shuffling to make his place ready at the special dominos table. They were all there waiting: Tietje, Richard, B.D., Pete, Frank and so many more. Know that he is okay & back to the days of joke telling and roars of laughter.*

*The gang is back together.*

*My prayers are with you all.*
