“ Hey Jake, Sorry I didn't write yesterday. I'm weak son and I just couldn't do it. Your mom told me one day that you once said to someone that you wanted your name to mean something. I want you to know my dear nephew that your name always meant something! In the Bible, Jacob was known as the "Champion of God". The name Jacob was the one we called out for when we needed a laugh or a great story. The name Jacob will be the one that Noah will always know as his father and the name Jacob will live forever in the laws of Louisiana. The name Jacob is for the one that a family misses, friends still want to talk to and a little boy sees when he visits his Daddy. So you see Jacob before it became important to you it was always import to us. Forever, you will hear that your name meant something and will always mena something to us and to God. Rest well, kiddo. We miss you and wait for the day we can can join you. Love you more than you'll ever know.

“ Hi Jake, well it has been two years today since you went "home". To say that we still miss you so much, is so true. I have been thinking about you all day. The only way to get thru this day is to let it hurt again. Because, I think that the hurt, the tears, the regret, has to be faced. Then and only then will the healing come. All these things only show how much we love and miss you. So, tomorrow is another day and it will be a little easier. So smile that great smile and tell God, that;s my mawmaw, she just loves me. So enjoy your perfect rest and be at peace. We will meet again, some day.

“ Hey Jake, by now you have been reunited with PawPaw Dewey. Please watch over him and keep him out of trouble! Tell him we are fine and miss the both of you so much. Well, kid, the law is coming along. Remember the night of your birthday when I sat at the computer with a blank stare not knowing where to start and I asked you for your help. The idea came, the work began and Jacob's Law is almost a done deal. You, Paw Paw Matt and Paw Paw Dewey keep praying for the bill to become law. We still need your help and guidance. I think of you often and still wish you were here and now that Dewey is gone too, my heart is broken again. Pray for us Jacob until the day we can all be together again. Love ya' kiddo.

“ My dear Jake, how do I find the words to say what it has been like without you. Today we learned that there will be a law that will protect all who work off shore. It will be named "Jacob's Law". To say that I am so proud of this goes without saying. But I have to be honest and say with the pride goes the hurt. We had to lose such a big part of us for this to happen. But I know that God made each of us for a purpose. This one, my baby, was yours. That is why we never saw a tear in your eye, only that beautiful smile. I think, I believe, without knowing, you really always knew what God had in mind for you. There are still a lot of tears shed for you every day. I have a small picture of you that I look at every day. It is all I can take for now. The big one is in my heart. And it never goes away. So, for now, be at peace. Know that if anyone was ever loved, it was you. You will always remain young, happy and full of love, just like your pawpaw. Love you always, mawmaw.

I need to share them before my old age catches up with me. I'm remembering a couple of Christmases ago when you ended up with two presents and Uncle Tom didn't get anything. Ha. Poor Uncle Tom. We had to give him that box of Sunkist. I still tell Aunt Janieshe did the names wrong. That was the year Jarod gave you that gigantic lighter. Remember how we all laughed so much? “ Well, Jake, it's taken me a year to get up the courage to write. I've thought often this past year of what I wanted to say. You know, something profound or funny and it seems that I never could find the right words. So I'm going to speak from my heart. Jacob, I love you more than you'll ever know, I'll always love you and I miss you terribly. Because Our family has always been so close, we have shared our children with each other and missing you is like losing one of my own. My heart is broken but piece by piece is replaced when I look at Noah. He looks like you and acts like you and I thank God everyday that you left him for us. Jacob, I marvel all the time at how much you were loved by so many people. One can only hope to have left a mark on peoples' hearts like you did. I am so proud of that and was so proud to be your godmother. Pray for us, Jake; those of us who miss you and that big grin so much. Pray for us to feel the joy and peace that you must feel now. We'll meet again one day but until then know that you are not forgotten and will never be without love.

NOAH IS GROWING FAST AS CAN BE AND LOOKS AND ACTS LIKE YOU MORE EACH AND EVERY DAY. HE IS THE BEST FILLER FOR OUR HEARTS WHICH ARE STILL BROKEN AND HURTING. “ I must share this poem with the family of Jacob.. it is coming up on a year, and I still miss him very deaply and this poem i found was perfect..

*Don't grieve for me,for now I'm free.
I'm following the path God has chosen for me.
I took His hand when I heard Him call.
I could not stay another day.
To laugh,to love, to work or play.
Tasks left undone must stay that way.
I've now found peace at the end of the day.' If my parting has left a
void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss:
Oh yes, these things, I too will miss.*

*Be not burdened with times of sorrow
Look for the sunshine of tomorrow.
My life's been full, I savored much.
Good friends,good times,a loved ones touch.
Perhaps my time seems all to brief:
Don't lengthen your pain with undue grief.
Lift up your heart and peace to thee,
God wanted me now-He set me free.*

“ 9 months has passed! 9 months has gone by? 9 months is a very long time without seeing your smile! you would think that after time it would get so much easier, but the truth is, that every day gets harder and harder! I know half the time you are probably laughing at me, and half the stuff you used to tease me about! Every time I do something stupid and catch myself, i think.. well he would have laughed at me at that one! you are always in my thoughts! I still don't know why this had to happen! When they say every thing happens for a reason, what if there is no reason! I still have not found a reason! why did this happen to you! By this time today, you would have been married with a beautiful little boy! you were a very dear friend to me, I just still do not see why you had to leave everyone! God only knows! I hope I will see you again one day! and it will be a great meeting! miss you!!! and will never stop!! Next time I do something stupid, let me know that you are watching please! “ This goes out to my best friend.. Jacob:

As I sit here, I wonder, if I could just run into you, what would I say? But I can't run into you can I. I talk to you at night, and wonder if you can hear me.. I want you to talk back to me, I want you to scream so loud so i can hear you. I feel someone touch my arm, and wish when I turn around I could see your sweet smile. I miss you so deaply. I see your car around town, and wish that I could just see you in it, but when it passes it is not you.. I hurt so deap inside, we never had our last big talk, and there are so many things that I have always wanted to tell you.. Just give me a sign that you can hear me when i talk to you... I know that you had your own family, and I am so happy that you settled down.. I told you that the right person would come around.. She is such a sweet person. I am very proud of you.. You were my best friend for many many years, and I miss you soo much.. So very much, and each day that passes by does not get eaiser... I wonder every day, why did it have to be you, why did you have to leave everyone so soon.. you promised me that you would be my best friend until we were old, with no teeth, and big glasses and walking sticks to trip each other with...sitting on the porch with our families, Qin it up.. drinking some beers.. and goofing off.. I was looking forward to seeing the day, when I could trip you with my walking cane.. I miss you, soo much, and can't wait until the day comes when i can see your sweet smile, in heaven.. Good bye for now..

“ I never thought we would have to say goodbye like this. I am so sorry that your family lost a very special man. He was a very good friend, and there is not one time, that he didn't have a smile on his face. Any time I had a problem, he was the person who I could talk to.

Jill, I am sorry you had to loose this wonderful man. Just remember his love. He loved you.

Noah, your daddy had such a beautiful soul. You were his world. He will be watching over you always. If you ever need, he will be there wispering in your ear.

To Jacob's mom and dad I know it is probably the hardest thing in the world, to loose a child. But, your son was the most polite, gentleman we have ever known. You raised him well. He gave joy to alot of people. There is not one time, I can remember ever being upset around him. He could put a smile on anyones face.

To Jacob's sisters, Katie, and Crystal. there is not a day that goes by that Jacob would not talk about you both. He loved you. He will be there when you need. You may not see him, but just close your eyes and listen. He may not be here physically, but spiritually, he will be watching over you and your beautiful children.

Jacob, we will all miss you. I hate the feeling, that I can't just call you, to put me in a better mood. You were the sweetest person. I am so glad I met you. I don't think my life would have turned out the way it did, if it weren't for you. You introduced me to my future. and for that I thank you deaply. I am so glad you met Jill, and had Noah. They were so lucky to have you in there life. We will all watch over them, for you.

For everyone else.. Jacob, may be gone now, but he will always be with us. He put so much joy in our lives, that God needed him to put joy in heaven. He is watching over us from up above. Smiling his forever smile. If you need him, don't be afraid to speak to him. He is listening. He will give you an answer, just believe, and watch for the signs.

Jacob will be deaply missed and loved by anyone who knew him. I love you Jacob, and will never forget you.

Thank you for everything. I will miss you forever.

“ *Jill, Noha, and Family,*
I know there are no words that can help relieve the pain that you are all feeling right now. I never really knew Jacob, but I know that he loved you and Noah very much.
Just hold on to all the memories that you have with him. There will be some that make you laugh and some that make you cry. I do know that memories will help you make it through one day at a time. Keep him in your heart as you make new memories and I know that one day you will all meet again in an even greater life than here.
Jill, if there is anything that I could ever help you with, please do not hesitate to call!
Love Always,
Tonya, Stanley, and Gavin Bouley

“ For the times that you feel he should be *HERE*....

I'M ALREADY THERE

*I'm already there,
take a look around.*

*I'm the sunshine in your hair,
I'm the shadow on the ground.*

*I'm the beat in your heart,
I'm the moonlight shining far.*

*Can you feel the love that we shared,
I'm already there.*

*We may be a million miles apart,
But I'll be with you *IN YOUR HEART*,
WHEREVER you are....*

I'M ALREADY THERE.
