“ *My sincerest condolences for your loss.*

Finally locating a distant CAMPBELL cousin, and finding that he has passed on, is always very sadly disappointing...but I am writing to day to invite those family members that Jacques has left behind to contact me.

For those of my cousins who are interested... I have CAMPBELL genealogical information that you may not yet be aware of and I wish to share this with all of you.

“ *At about 9:30 Friday morning, I learned of Jacques passing. It was too late for me to get to the church at that time. Please be assured that I would definitely have been there had I known earlier. I will always remember our trips to McNeese and how Jacques would scare me pulling the horse trailer. I thought of Jacques (and Sonny and Chae) as brothers. I will miss him but know that he is with the Lord. I regret that I was not there.*

“ Peggy,

You and your family are in our thoughts and prayers during this time. Death of our loved ones is difficult, your dad is in your future, you will see him again. That is what has sustained me with the lost of my fathers along with the comfort of knowing my heavenly Father!

*Love,

“ *I am deeply saddened at your loss and send my condolences to you and your family. I would also like to share with you a comforting scripture from the Bible at John 5:28,29 “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice [the voice of Jesus] and come out.” God has all of our loved ones in His memory and at a future time will resurrect them back to life. Please visit www.watchtower.org for more comforting thoughts. Again, your family has my deepest sympathy.*
