“ *Angie and I are co-wokers. My thoughts and prayers are with you and your entire family. No one understands why these things happen, you even question God. But know that God is a loving God and he will never put more on you than you can bear. Yes, this hurts right now, but the pain will ease in time. He's in the hands of our Heavenly Father, the safest place there is. Be of good courage. God bless you and your family.*

“ James and I became real close throughout high school. James was one of the few that I could call a "real friend". I will hold on to my memories of James. Forever. My heart is with the family.....
