“ *I am so sorry to hear about James' passing. He was a dear friend and classmate at Iota High. I know that he lived a good and loving life and God surrounded him with children and grandchildren. My thoughts and my prayers go out to the family. We are given life for such a short time, however, James lived a full one and his memory will live on through his children and his friends.*

*He will be missed!*

“ Bean, I am sad to hear about your Father's passing. We will keep you and your family in our prayers. Stay strong in this difficult time and remember all the good you father brought to the people around him. Many people in the Houston office here worked with or knew him, and always spoke highly of him. - Jody

“ MR. James will always hold a special place in both our hearts. WE know you are going through a tough time right now but ask God to give you the strength and know that James is at peace and did not suffer. Bean our prayers are with you and your entire family. We enjoyed our dove hunts and fishing with him and know that he is going to find a special place in heaven to hunt and fish. He may be gone from this life but memories go on forever.
