“ Tanya and I want the Hill Family to know we are thinking of all of you during this difficult time. We pray that all of you will feel the presence and comfort of God through your loss. Mr. Hill was a great man and raised a great family, what an understatement! You could honestly tell by being around him that he loved life and that attitude of his was contagious. I, as I know you are, would feel blessed and proud to have had him as a father or grandfather. Heaven just got a little brighter with his presence. May God truly Bless your family.

“ I will carry all of my memories of Mr. Hill as blessings. It was a privele to know him - he was like a father to me and I loved him. He was strong, but gentle and loving and had a keen sense of humor. He was totally dedicated to his family, especially Angel Face. He left an indelible footprint on all of our hearts and I will sadly miss him. My prayers and love go out to all of his family.

“ Pat and I are very sorry to hear about your loss. Mr. Hill was such a delightful man to be around. Your family is a very close-knit family and it is all contibuted to Mr. & Mrs. Hill's deep love for the Lord and the beautiful relationship they have with all of their children. Your entire family means a great deal to us and we are deeply saddened by Mr. Hill's passing. We pray your family will seek and feel the comfort only God can give during this difficult time. We, too, will truly miss this beautiful person. Please give our love to all of your family.

“ Being the youngest grandchild of James Hill, this is an extremely sad time for not only me as well as many others. The wonderful memories and times I have with him will NEVER be forgotten. He was absolutely and incredible man, husband, father, friend, uncle, grandpa, great-grandpa, and more. One day I will have many things to tell my children about him. His heart had constant, overflowing love. That love was for anyone who needed it. No matter if it was a stranger or not. Also, his stories and knowledge was beyond amazing. He could remember absolutely anything anyone told him. As I would sit and talk to him during his last days, the way he spoke and acted, he could've easily passed for 45 years old. He never ceased to fight. He was set in places that Lord knows he didn't want to be in. Did he give up hope? Absolutely not. One thing that I think that anyone could've learned from my Grandpa is that it never hurts to be a fighter. A fighter for family, love, and faith. Granddaddy, you're memory will be with me everywhere I go. The love you had for me will still be carried with me no matter where I go. Finally, I cannot wait to join you with our Heavenly Father one day. Love forever and always

“ God had brought me back to the Hill Family years ago. The love and belief that they have for family and friends is wonderful. My son, grandchildren and myself are so blest to have all of you in our life.. Mr. Jimmy spoke so highly of the friendship that he and his lovely wife had with my Grandparents and their friends in the years they were with us.. Now he is with them talking and watching over us.. Sorry I am not able to be there with you. When you come back to Shreveport I will be here for all of you.. Praying for all of you at this time. Love Josette Louviere and Randy LaVergne
