“ I am sorry that none of our family was able to attend the services for Andy. When it happened, my husband and I were in Arizona and Adam and his family were in Texas. For a while Andy lived with our family and he was always considered one of our sons.

“ *I first met Andy about 6 years ago when I began volunteering at the Jennings hospital. Seeing him every Monday, I found Andy to be low key, quick with a comment, and always helpful. His comments often brought a chuckle. He loved reading National Geographic magazines and I loved offering him ours when we were done with them. I am stunned by his untimely passing and will miss seeing him within the halls of our hospital. My sincere sympathies to his family and I offer prayers for all of you. Let perpetual light shine upon him. Donna Richert, Jennings*
