“ *The last fond memory we have with Sis Janet was me and the boys visiting with her on her front porch. She had her crossword puzzles and her chair and you know she had already spoken with the good Lord that day as she would refer to Him when she would talk about how God is always there with her. She was an old timer that I will surely miss. She loved staying by herself and having that independence. Thank you for the hugs and the phone calls to just say hello. We love you and will miss you Sis Janet!*
