“ To Larry and family and Reverend Kathy. We will always miss the Sunday mornings at St. Luke's when Janice sang in her beautiful voice and played the organ. Also we will miss the gatherings after church services including the pot luck suppers. We have fond memories of Janice and her family and her laughter. She will be truly missed.

“ *Janice was kind to everyone she ever met. She would try to help anyone she thought might need it. She faced adversity with a steady tenacity without anger or ill will. To anyone she knew and loved, she was their best friend. She was an ever-loyal colleague and friend to me for nearly 40 years and I am sorry to say, I did not give her the attention she deserved from me in these last few years. That is my loss more than hers. I am forever thankful to her for all she did for me and my family during the years that she trained me as a lawyer and held me as a friend. To Larry, Chris and Nathan my condolences. Hold her memory close. She was a one-of-a-kind treasure. I will continue to think of her often.*

“ *My best friend in high school and off to college. She was one of those friends that didn't matter how much time passed when we saw each other it was like we had not been apart. She thought I was the worst typist (she was right) and would type all my research papers-even in graduate school. She was there for me in many other things also.*

*I only just found out today of Janice's passing. I'm so sorry to hear this.*

*To Chris and Nathan, I cherish the memories of when you were all our next door neighbors on Magnolia Dr. Janice was the shining sun of our neighborhood. She sat at my kitchen counter and typed out my Master's thesis to dictation! Without her help I would still be working on the paper! She was an amazing woman and I was privileged to call her friend. Much love to you all.*
