“ My friend, my heart is so heavy. I'm so very sad to hear this news. I don't know why these things happen but I know God is near. I loved him and you both. So many fun evenings of innocent incrediball and staying overnight with y'all. So many smiles, laughs, jokes, movies...absolutely wonderful times. My prayers are being sent your way. May Mother Mary keep you and the kids close to her heart and may God greet Jared with the biggest hug as Jared always gave to others. I love you all and am with you in the suffering. Forever your friend, Amy Vidrine (now Dubard)

I am heartbroken at the news of his passing. I knew Jared to be a good-hearted, fun-loving boy who did well in school and was liked by his peers. Over the years, he always greeted me with respect and a big smile. I knew of his struggle and I know he tried all he could to beat that demon. His light will be missed in this world and we can be consoled that he is free and at peace. My deepest sympathy to Lisa, Tyler, Addie, Jordy, Becky, Joel and all who mourn his passing. Prayers for you as you journey through grief. Let perpetual light shine upon him.
