“ *Jana... I am so sorry at the loss of your beautiful mother. She was such a classy lady. I remember making those angel cards for her and how she thanked me so many times each time she read them. I am saddened at your grief and understand how you are feeling. She is now at peace, and will always be your angel watching over you. Know how much you are loved. Please let me know if there is anything I can do for you once you get home. Love you much! Colleen*
