“ I loved Skip from the first time I met him! He made you laugh, loved to laugh with you and always saw the best in people. He was a talented musician. We always had such a good time together but more, he was there during the hard times for our family as well. Rest in peace our friend. We will miss you!

“ Dawn and family. My heart is full as I think of you. I know how close the two of you were. May God give you peace and comfort. When I saw the picture of Skip, I could see how appropriately he was named. He looked so much like your sweet Dad. God bless you all, Becky.

“ I am so glad that I was able to visit with Skipper at his mom's funeral. He was at peace, but somehow knew that his time on earth was short. Both his parents were kind and gentle, as was Skipper. May you and your Dad and Ronnie make happy music once again in Heaven!!! Condolences to the family ....Marilyn Vallee Dawdy

“ Our sympathy and condolences are with the family during this difficult time. We first met Skip years ago when he opened the gym. Later we had the pleasure of attending Bethel with him. During that time we served together in the music ministry - it was so evident to see the love of music in his life. He was amazing on that trumpet, and made the most beautiful sounds come out of that thing! Skip was such a nice guy, always ready to speak to you and always wearing a smile, and making you smile in return. I'm so glad our paths crossed in life because he left an imprint on mine, as well as others.

“ It is with a heavy heart that I say this, I will miss a great lifelong friend. Skip was loved and liked by many in the Welsh and Jennings area. We attended school at Welsh together, played in his Dad's band together. When Joan and Skip moved to Jennings and built the Health Spa, we became neighbor's again. We were close neighbor's in Welsh. Yvette and I will miss you old buddy. Rest in Peace. Danny & Yvette.
