“ *Condolences. John will be missed. He has influenced so many lives in his short time with us. Just as his grandpa went out of his way to help someone in need and show some true kindness, so did John. When we were younger John and I were in the Sons of the VFW, which was a program that his grandpa , my Dad, and AJ Broussard had set up for the sons abs grandsons of the veterans. .John and I were the elected leaders and i remember John always making a special effort to ensure that everyone has s great time and that everyone was included. John earned the respect of those young boys and later went on to do the same in the Marines. He was a great friend, relative, and military brother and now he has moved on to a better place and he truly will be missed.*
