“ *Tat "Rat", my friend and forever my brother in law. We sure have shared good times and happy moments...my jitterbug partner, Shady Rest, the great parties you and Sapha hosted. You were always missed prior to your end. Good luck with the "big" man, you're in good hands now. I will remember you in my prayers. Kiss Jon-Jon and please tell Daddy how we all miss him. Bye Tat...Erleen*

“ *Tat will always be my brother-in-law. No divorce could ever change that. He is in my prayers and thoughts. I know he is home now and with Jon and other family members who loved him. I am thankful that his end came in the care and presence of his sisters, Jeremy and April and God to whom they all prayed. God Bless you, Tat.*

“ Tat:

I'm so happy I got to spend time with you your last day on earth. Too bad your burial wishes were not fulfilled but at least you're home now. Kiss Jon for me and tell him I love and miss him very much. Rest in peace.

“ *Had a dream about you last night. I lend over and said, "Uncle Tat, it's Kris." You whispered back, "Hey Shotgun." I knew at that moment you were there. As I reminded you at Jon's funeral you are my favorite uncle and always will be. I agree with Pug, I only wish your last years could have been free and better. I will miss you and we all will always love you very much! Love - Kris*
P.S. Give Jon a big kiss and hug for us.

“ *Although he had been divorced from Jeremys' mother for a number of years, he was always "Uncle Tat" to all of us. It's sad that the end of his life was not a good one. We will miss you Uncle Tat...Rest in Peace!!*
