“ *John & I met while in Vietnam & was a friend who always had your back. I lost track of him for about 41 years & just got back in touch with him about a year ago. When I heard his voice on the phone, I was so happy to have found my friend again. I have been trying to call him for 2-3 months & no answer. Found out yesterday about his passing. I cried when I found out that he had passed away. I will never forget him & want to send my sympathy & prayers to his family. May he rest in peace. John , I will never forget you. From your friend, Mabry*
