“ *To the Smith and Broussard family, I was so sorry to hear of Joni's passing. My mom, Helen Delome and Joni worked together and became great friends, I also worked for Joni and always consider her a friend, she had a big heart. Now there's another angel in heaven with my mom to watch over us all!*

“ *I am SO SORRY that I was not able to visit, but you all have been in my thoughts EVERY SECOND. Joni was a wonderful, loving, sweet and gentle person. I will ALWAYS remember her LAUGH and her SMILE. I can only imagine the smile your mom had welcoming her in to her home in heaven. And no doubt, your dad, Kay, Curtis and all our kin are rejoicing with yet another member of the family! My heart is with you all and has been every moment since I found out. I love you all, heartfelt prayers and sentiments to Matt, Jolynn, Stefan, and Richard, as well as Michelle an Sharlie.*
