“ I listen to your favorite Christmas song,
caroling when you were 4, your turn to pick
the next Christmas song,, I remember like
yesterday,
You jump up on the back seat w your air
guitar...

"White snake, here I go again on my own,"laughing and crying at
the same time, I miss you so much, I just didn't know, the only road
I've ever known is the one I was born to walk alone,,, Merry
Christmas my son, till we sing it together again, I love you Jordy,❤️

Loosing loved ones is easily one of the most difficult challenges we all face in life. Sometimes it can be just as hard trying to understand the reasons why. Praying for strength for his family to get thru such a loss and that they may find peace in their hearts.
