“ *Betty and family*

You and Allen were the first people we met in La. You made our stay there fun and happy by sharring your family with us. Allen did some great grilling, and you did the shrimp. We will always be grateful having you as friends. I am so glad that Steve got to meet Allen, Junior will always think of him as " The Alligator man" We will always have an empty place in our hearts now, and miss him so much.

“ To the Woods family you have my deepest sympathy. I worked with Mr Alan @ Quality equip. in Lafayette. I will always remember his Smile. I don't think I ever say him without one. I go to the Crowley store once a month to do statements and Mr. Alan always made a point to walk up with that glowing smile to say Hello,he was such a kind man. I will miss him Dearly and will never forget him. To the family it's so hard to lose a loved one. I just lost 3 family members in 3 month's but please be strong and God will give you the strength and know that Mr Alan will also be watching over you I will keep him in my prayers so that he can have a safe journey on his way to heaven.

You have my condolences,
Jenny Jones
