“ *I am the daughter of Anthony Samuel Cimino. My father was Aunt Jose's brother. I only just learned of her passing. I wish I could have found y'all before this day. I wish I can get in touch and get to know my fathers family, but if not, remember, knowing Jesus Christ our savior and having Him in our hearts assures us that our love ones are not in our past, but just ahead in our future. Jesus said, he will come again and He will bring all our love ones back with him and we will be reunited once again. You all are in my prayers. Beverly Ann Cimino*

“ *I wanted to extend my deepest sympathies for your family's loss. I have always found comfort in Revelation 21:4 “And he [God] will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.” Everyone who has lost a loved one looks forward to the time when no one will feel the sting of death. (1 Corinthians 15:55) If you would like more encouraging information to help in the grieving process, please visit www.watchtower.org. I hope that these scriptures may help you though this difficult time.*
