“ *Earl, Darrick and I would like to thank each and every one of our family and friends for their prayers and all the acts of kindness. Mom's illness was a long one. We all know that she is now with Daddy in a much better place! Before her passing, she told my brothers, Aunt Paula and myself that she was ready to go. She was tired. She was in good spirits and on Sunday morning, she told me about the best dream that she had had that night. She saw two little girls dressed in gold (angels) and there was no pain!! NO PAIN ANYWHERE!! She had a glimps of Heaven!! She was in and out of it all day Sunday, but she woke up Sunday night and talked to all of us again. She had not been eating because she was unable to, but Sunday night she ate very well. After she was full, she said she was tired and fell asleep. That was the last time she was fully awake. Monday I rode home with her in the ambulance. Earl and Darrick were already there with hospice setting up her bed in the living room. She had lots of visitors that day. I could tell that she was really relaxed being at home again. We just kept reminding her that she was HOME. She spent a very peaceful night. Tuesday morning with all of us near her, she went very peacefully at 8:24am. God Bless You Mom as you have Blessed each of us!! We will miss you so much, but we know that you and Daddy are together again and that both of you are watching over us.*

*I love you all,  
Cindy*
