Kade Edward Guidry

Gueydan: Kade Edward Guidry beloved son, brother, uncle, cousin, friend, and brave man mercifully passed from this life to eternal life with JESUS on May 6, 2020 surrounded by his family at home in Gueydan. While many graced to be his age were experiencing the prime of their life Kade was bravely struggling with an aggressive cancer. Even as his flesh failed him and many would have simply accepted fate – Kade heroically placed himself through other treatments in hope that he could further the science and care of this disease so others diagnosed might have a better chance to live. Up until the end of this life’s journey he cared more for how other’s were doing and expressed personal peace in the Blessed assurances of God in his next eternal journey. Kade wore a smile – even when in pain – to uplift and greet with kindness those in the work around him. Kade was a life – long resident of Gueydan. After graduating from Gueydan High, he attended Louisiana College and was a proud brother of the fraternity Tau Alpha Kappa. He worked many years as a production operator in the oil industry. Kade had many different titles in life but he was most proud to be called “ Nonkie”, by his niece Aubree Kade, who was the joy of his life.

Survivors include his parents, Ed and Lori Guidry of Gueydan, LA; one sister, Draeh (Chris) LeBlanc of Magnolia, AR; one niece, Aubree Kade LeBlanc of

Magnolia, AR; numerous aunts, uncles, and cousins. Also a special friend, Jamie Hobbs of Deridder, LA. There are so many, many others that Kade would want to express love and thanks to... far too many to list individually but Kade would want all of you to know that you ALL are very special to him and he was so glad and thankful to have had you as a part of his life. You mattered to him...A LOT! Each and everyone of you. Yes you! He said so to me and he would want your lives to be blessed even if he is no longer here to get to help with that personally. He was preceded in death by his grandparents who are undoubtedly greeting him now with warm hugs and great joy. As I write this, I conclude again knowing Kade would want EVERYONE in his life to know how much he loved and will continue to love into the next – wishing everyone everywhere the very best that GOD in his Awesome Grace can give.

Kade would also want to thank his medical care friends Dr. Peddi, Renee, and his wonderful staff. Belinda and the great staff at Acadian Hospice. There are so many more that are included but way too many to thank individually. Kade would want you to know how thankful he was of your prayers and kindnesses on his and his family's behalf..... and others facing cancer.

“ What a beautiful “Heavenly Homecoming” Kade must have received after so many prayers were lifted for him and his loving family. Dear Lori, Ed, and Dreah, what a beautiful thought to know that Kade is with Our Lord; “to be absent from the body is to be present with the Lord.”

Dear Ed, Lori, Draeh, Chris and Aubs,
May The love of Our Father in Heaven and the fellowship of The Holy Spirit support you as Kade went to Heaven to be with Jesus and all relatives that have gone before him and ate waiting including Boss and Nana , grandparents on both sides and Uncle Morris and so many more! We love you and know we grieve but not as those who have no hope! He’s safe in the arms of Jesus! There is a great cloud of witnesses cheering us on! I will miss how he said,” Love you, Aunt Joy!” With his gentle spirit!! In closing, remember the song by Fernando Ortega Give me Jesus! Sharing in your sorrow, Dean and Joy Heard

“ Ed, Lori, Draeh and family,
What a great homecoming Kade is experiencing in Heaven! As I write these words, I can't help thinking about Kade and his Garland Street area pals playing on that dirt pile, their faces so covered with dirt we just had to laugh! Kade was such a gentleman with a quiet grace about him. And that smile will forever be etched in our memory. Most importantly, and above all, Kade loved his Lord Jesus. We love you Guys and are praying God eases your pain of losing Kade with sweet memories.

“ So sorry to hear about the passing of Kade. I was in TAK but was at LC long before he was a student there. I got to know a little about Kade through our TAK face book page. I did get to speak to and get to see the character, strength, and faith of Kade as he kept us aware of his battle these past years. He has many friends that were moved by his positive spirit throughout, whether good news or bad news, he was always a positive person. I pray God's peace and comfort for his family and friends as you mourn his loss, and celebrate his life. God Bless..

Lori--My heart goes out to you over your great loss. Even though I did not know your son, I can tell from the tributes given to him that he was a fine person. Having a mother like you was a blessing for him. He must have inherited his kindness and smile from his grandfather Ronnie. I know you are proud to have raised such an outstanding young man. My thoughts and prayers are with you and your family.
