“ *I was shocked to read that Karen passed away. She was a good friend and neighbor. She comforted me last year when I found out I was ill and had to go into the hospital. I will miss my talks with her and her friendship. She will be missed. I am sorry for your loss Trey and Felix.*

“ *Karen was a beautiful person inside and out. Always there for everyone and she really loves her sons. She will be greatly missed by me and so many. She was there for me when I lost my son and she was always there for any one who needed to talk. This really is just so unbelievable, she is only 3 years older than me ! It really hurts my heart to think she is gone. I know she is with our father a place we will all go one day . But she will be greatly missed. My prayers are with the family especially her sons !*
