“ Condolences to the entire family. Kelly was called home far too soon. I pray that our Heavenly Father lend Kelly's family, friends, and children His strength during this difficult time and in all days to come. Let them not focus on the pain, loss, and separation from their daughter, mother, and friend but heal them in your promise that once again they will be reunited one day. Grant them peace and understanding always, so grief will not consume them and their cherished memories will bring joy through these trying times.
