*There are just no words to describe what I am feeling. The only thing I wish is that I could have gone to see her, I just couldn't tie my heart for that, but I wanted to make sure she told my Charlie how much I miss & love him so much. Don't you know the reunion they are having?*

*Lona, this is one thing I never ever would have wanted us to be able and share together. Love for all the family & I will continue to pray for all of you!*
