“ *My friend I will miss you dearly. The ride to and from work and the shop will never be the same. I just wish I could of done more to help you. You were more of a brother than a friend. will miss you Monk.*

“ *I am blessed to have known Kenny. Though we haven't seen each other in many years I still hold dear the memories I shared with him while I was married to his sister. I will never forget "running" Mardi Gras with him and Glenn and Joel and all the fun we had. Many times I have wanted to stop and visit with him when I would pass through on my way to Houston. Regrettably, there was always some reason that I didn't get to stop and now it's too late. I pray that the family will find strength knowing that he is resting in the arms of God and Henry, Dean, Gene and Glenn were waiting for him with open arms. RIP Kenny, you will be missed by many.*
