“ Still Trucking From Above

*I have a warm and friendly feeling as I think of you each day.*

*And I wish we could visit again, but you're many miles away.*

*I've heard you spin many a yarn and even say "you bet"  
A better person I've become, because one day we had met.*

*The Lord has blessed us with a truck driver, which we have all come to love.*

*God's hand was always watching him and sometimes even driving from above.*

*He travels freely now over heavens rolling hills to its shining sea.  
He was a special man God made just for you and me.*

*As heaven and earth now divide us, the special memories of you bring us near.*

*The common things of life we shared, laughter and sometimes a heart felt tear.*

*So, father in heaven hear my prayer when I think of our beloved one each day.*

*Please protect our husband, father and friend, while he's many, many miles away.*

*For the wages of sin is death; but the gift of God is eternal life, through  
Jesus Christ our Lord..May God keep in you and your family in the  
palm of his hands during this time of sorrow, just to let you know he is a  
comforter, Jehovah, and he shall wipe away all tears and joy will come  
in the morning...Be Bless*
