“ *To the Mouton Family,*

I was so very sorry to hear of Kenny passing. I was his Ombudsman when he resided at the ARC Haven home. Kenny was always a joy to visit and always was full of laughter and happiness. I last saw him at his work program and he loved living in his apartment. Kenny and you all are in my thoughts and prayers.

May God Bless,

Lissa Barrett

“ Tried to find a card that had a Cleco Truck on it, or Just a plain Ole 18-Wheeler pic. In the time I had My Good Friend Kenny under our care, I never once shared a dull moment with him! He made me laugh a lot of times, and many times it was at my expense. One such incident is when I asked him not to tell anybody that I had missed the last turn toward his then Arc Haven home. And when we got to AH, no sooner had I opened the door, then he blurted out, in a fairly loud voice... "HEY, GUESS WHAT MR. ANDREW DID." Instead of turning beet red, I couldn't help but fall to the floor laughing.

Many a talk we had about his mother, his brothers, and sisters! At times we would talk about his departed father. As Kenny told me often, when I was trying to teach him a Life lesson, "Andrew, sometimes you talk too much." He would then chuckle and wave me off. He was probably right...Ha ha!

It was a REAL honor to work with Kenny, and to be a part of his life. He was loved by SO many people, and he loved a lot of people in his time. He especially loved the times he had with his family, and how they treated him as the GREAT person that he was. He will be sorely missed by everyone who had the good fortune to meet him! Goodbye, Kenny!
