

Lawrence Miller

April 7, 1948 - January 5, 2020

Lawrence Miller, 71, was called home on Sunday, January 5, 2020 by his Heavenly Father.

Lawrence was born on April 7, 1948, the oldest of 6 children to Noah and Felicia Miller. He is survived by his loving wife of 40 years, Lisa Wright Miller; his four sons: Lawrence Miller, Jr of Moss Bluff, Noah Miller (Sadona), Derek Miller, and Kaden Miller, all of Lake Charles; and his 2 daughters, Lisa Ann Miller of Moss Bluff and Cindy LeLeaux (Stephen) of Lake Charles; his 2 brothers: Michael Miller of Woodlawn and Charles Miller (Veronica) of Lake Charles; his nine grandchildren and ten great-grandchildren.

He worked at the Calcasieu Marine Tower for 27 years, starting as a maintenance technician and retiring as a Chief Engineer. Lawrence's love for his family was always at the forefront of his life, his wife, his children, and his grandchildren. Also close to his heart was his life at Water's Edge and being a member and serving with the Water's Edge Biker's Group and volunteering as security for the church. Lawrence had a giving and loving heart, especially for the children and the homeless. He was never too busy to stop and just listen or to help anyone in need.

Lawrence was preceded in death by his parents, Noah Miller from Lake Arthur and Felicia Doucet Miller McGinty from Bell City; his two brothers: Noah Miller, Jr. and Robert Miller; one sister, Elaine Luquette; and one infant daughter, Belinda Miller.

A Celebration of Life for Lawrence will be held at his church, Water's Edge

“ I honestly don't think I've ever cried and mourned this much in my lifetime. I remember you saying about 6 months ago that you wanted to be cremated. That no one loved you and nobody would even come to your funeral. I said Dad that's a lie straight from the pits of hell. We all love you so much, you was spread out to thin . I was happy just to get a text. We all struggled for one minute of your time. Crazy thing happened our ac unit went out the night before your funeral service. That was another moment I realised I wasn't able to call you to help diagnose and locate parts. Dad if your looking down now you're seeing just how much you was loved and by so many people. I'm grateful for every text call or moment we had but you left to soon. There was brokenness in the family that only you could have mended. Im glad you got to see my life's work rebuilding totaled vehicles. Im going to take it to the next level now I only wanted to make you proud.
I was holding onto that verse in the bible. I will restore to you the years the locusts has consumed. Hope I make it to see you on the other side. Put in a good word for me I've backslidin more then I can count.
