“ *Peggy I want you to know how sorry me and our family were not aware of your tremendous loss. May God be with you all in time of need. I wish I could hold your hand right now. I know that is not enough to give you comfort, but we love you so much and know there is nothing I can say or do to feel the void right now. I will pray for you and your family for strength and healing. I wish I was able to know her. I know she had to be a great person and to see her photo she was a beautiful person.*

“ *Peggy and Meagan,
I am so distraught to hear of Layla's passing. She changed me. She made me a better teacher, mother, and person, and she was only a second grader! I learned a lot from her and I will never forget her. Love and prayers to you!*
