“ *Felicia, Harold, Tiffan and Little Harold. I am so sorry to about your mother. You and your family are all in my heart and prayers. I am here for you always. Everyone says they are in a better place, no more pain, etc., somehow they think that should make us feel better, and it does in a way but in another it does not. So I am not going to say it. I think you will understand. Just know that I love all of you and I am here for you.*
