“ *Dear Carol and Ricki,
I was so sorry to hear about the loss of your father. I spent the summer in Jennings with my parents and I used to walk with a friend a few times a week. We nearly always went down May Street past your house and I often wondered where you both were. I didn't know your dad, but I do know the sadness you must feel right now. And I remember that my dad held him in high esteem. My love and best wishes to you and your family.
