“ Oh jeannie im so sorry for your loss. So many years ago you were my sister and i have so many good memories of you and lester and your boys. My husband died of cancer almost 8 years ago and it was a terrible thing to see him waste away. I know what youve been through and i can promise you it will get better. He isnt in pain anymore and god will take care of him now. You have your kids and grandkids to keep you going. I always remembeted how tough you were and i doubt if thats changed. I dont understand why things like this happen but you arent alone. My thoughts and prayers are with you. Love betty stelly vaughan
