“ *May The Lord be with you today as you lay Liam to rest. I hope he is riding more than IV poles up in Heaven. Please know you are in all our thoughts and prayers. Liam and all of you were just a pleasure to care for and know. Peace be with you in whatever ways you can find it.*

“ *I never met Liam or your family, but my heart was captured when I started following Liam's "journey" through posts of family and friends. Jennings is my hometown, and several of my friends and family attend your church. After learning about Liam, I too started forwarding your updates. Through your sharing, an avenue opened worldwide to allow many to "stand in the gap" for Liam. And although most, like me, never met Liam in person, we came to love him and your family...and many look forward to meeting your precious son in Heaven. I will continue to hold your family in my thoughts and prayers. May God bless you, and keep you, and pour out His healing grace upon your family...*

“ I will never forget this sweet little boy. His parents brought all of us together with their unconditional love for our Lord and Savior and also for their child. May God comfort you, sustain you, and be all that you need as you grieve for this precious child. We will continue to undergird you with prayer. Our little Sunday School class has had a deep hole these past few months. We will see Liam again one day when we meet him at the feet of Jesus.

“ What a story of love, devotion, dedication, compassion, and understanding your lives have been to more people than you will ever know. Be comforted in the fact that you know without a doubt that Liam lives on in the arms of our Heavenly Father. Yes, we are saddened at this time. But be reminded of the song "When We All Get to Heaven".  
To God be the Glory--Uncle T and Weezee
