“ *I would like to extend my regards to the family for their loss. During such times, the scriptures can give you comfort and a hope for the future. Please note the words of John 5:28-"Do not be amazed at this because the hour is coming in which all those in the memorial tombs will hear HIS voice and come out..."*

“ *I would like to offer my sincere sympathy to each of you. I did not know Mrs. Celestine personally but I'm pretty sure I have seen her before. Death is such a sad time. How comforted we can be though, that God/Jehovah has promised a time when we will see our loved ones alive again, in perfect health. I wish you such joy to sustain you at this time. Each of you are in my prayers.*
