“ My gram was a loving person. When I was little and would get sick, she would always come to my house to take care of me while my mom and dad would work. I loved our sleepovers and fun times. I already miss her so much. I love her to Pluto and back a trillion times! Love, Madison

Dear Bill,  
I was so sorry to hear about Linda's passing and I want to express my deepest sympathy and condolences to you and your family. I remember all the good times we had when we were all students at USL. I remember her as a very caring and understanding person, especially to put up with the likes of me, Boles, and Charlie. I am sorry that I will not be able to be with you during this time but rest assured that you and your family will be in my thoughts and prayers.
